An exploded view diagram of a gear shift assembly. The central component is a blue-painted shift drum (part 3). To its left is a long metal shift shaft (part 1) with a black grip at the top. Below the shaft is a black lock screw (part 2). To the right of the drum is a small blue pin (part 4) and a green anti-moving set (part 5). Below the drum is a green reset spring (part 6) and a black oil seal (part 7). At the bottom left is a black start shaft assembly (part 8) with a black grip. To its right is a small blue pin (part 9). At the bottom right is a long metal start shaft (part 10) with a black grip. A small metal pin (part 11) is shown at the top right. The background is white with a large, faint, diagonal watermark reading 'DEMSEKI-OSTROVA'.
